Dear Parents,

Vacation is a time to reinvigorate and revive. However the duties of a student must not be forgotten either.

A balance, therefore between, recreation and work must be found to ensure a break that is productive as well as relaxing.

Holidays are meant for enjoyment and if this time is used for creative pursuits, it becomes a learning experience .

The holidays homework has been designed to be a meaningful and creative exercise. Do ensure the child is involved with your guidance.
